**CEMENTATION AMERICAS AWARDED A SIGNIFICANT MINE CONSTRUCTION PROJECT IN LATIN AMERICA**

The Group is pleased to announce that Cementation Americas, a member of the Murray & Roberts Group, has been awarded a mine construction project with a major mining house in Latin America.

The multi-year underground mine development and construction contract is valued at approximately US\$200 million. This significant award reinforces Cementation Americas’ strong capability to deliver on large underground mine construction projects for top-tier clients.

Cementation Americas has provided mine engineering and construction services to the Latin American market since 2003 and has successfully completed multiple large-scale complex mine construction scopes of work in this mining market.
